## Thanksgiving Game: Where Did the Turkey Lay it's Egg?

### WHAT YOU NEED:

Hard boiled egg

### HOW TO PLAY:

To start, one guest leaves the room while a hard-boiled egg is hidden. The others then call the seeker back and direct him toward the egg, saying "gobble, gobble" instead of "warmer" and "giblet, giblet" instead of "colder." Once the egg is found, a new seeker is named, and the game repeats.
