Thank you for the opportunity to share such an important time with you and your family. Since you have had the experience of one of our Good Beginnings Volunteers visiting with you, your reactions and suggestions for improvement of services are most valuable to us in maintaining the quality of our program. Would you please take a few minutes to complete this questionnaire. In addition, we are being required by one of our important sources of funding, the New Hampshire Children's Trust Fund, to ask our NH recipients if they would also fill out a confidential survey (no names will be used) for them. Their tool is designed to measure the impact of community-based, family support programs both in New Hampshire and nationally. Would you please return the questionnaire(s) to us in the enclosed envelope by: **Date** *Thank you for taking the time!*
