Site visit portion of the meeting called to order by Chair Esmay. Bill Kitchel pointed out the corners of the proposed Visual Arts Center so that the Board would understand where the building would actually sit. Conversations ranged from the extent of pavement on the sidewalk, to the alignment of the sidewalk, to the actual location of the Arts Plaza, to materials to be used in the ground floor windows, to the height of the building and of the brick wall screening the F O and M parking lot. More elaborate treatment of the area in front of the brick wall was discussed. No action was taken.

Site visit portion of the meeting adjourned at 7:10 pm.

Respectfully submitted,
