Present: Judy Brotman, Jonathan Edwards, Vicki Smith, Michael Hingston, Judith Esmay

The Group discussed the next residential site visits.

It was decided that on September 16 from 12:30- 3 that village centers and subdivisions in rural Hanover would be visited. The route will be Greensboro Road, birdlands, Hanover Center Road, Dogford Road, walk around Hanover Center, park at Etna Post Office and walk around Etna, and time permitting, King Road to Blueberry Hill. Vicki and Judith will pre-plan this route.

On October 21, a route to view more subdivisions in rural Hanover, and the Forestry and Recreation district, including Goose Pond is planned. The route will start in Hanover, proceed up Route 10, Pinneo Hill Road and Carriage Lane, back to Route 10, then over Goodfellow Road, to Two Mile Road, Dairy Lane, Goose Pond Road to Sands o' Time Road. We will tour the Sands o' Time neighborhood and return via Route 4. Michael will pre-plan this route. A list of grandfathered year-round homes in the Forestry District may be prepared.

On November 18, the route will cover the riverfront, mountain tops and clusters of small lots.

Planning meetings are scheduled for September 22, October 27 and November 24 at 10 AM. Residential visits will take place from 12:30-3 on September 16, October 21 and November 18.

Meeting adjourned at 4:20 PM.

Respectfully submitted,
