Important: We need to know **now** if you would like a **winter share**. Even though next winter seems so far away, we are ordering seed and planning for those crops now. For more information about shares, see our website www.lunablefarm.org or call Suzanne at Luna Bleu: (802)763-7981.

SLIDING SCALE We want to continue to make good food available to people of all income levels. Still, we know our prices have always been on the low side and we need to sustain our farm and our farmers. The "Basic Price" most closely reflects our costs to bring you a share. The "Sustaining Price" gives a little more to the farmers and helps offset the "Discounted Price" for our neighbors who may not qualify for the "Farm Share" program, but would have difficulty paying the "Basic Price". NOFA's "FARM SHARE" program offers shares at half the Basic price to qualifying households of low-income or special circumstances (Check line in "Remaining Payment Due" section)

Summer Harvest Shares (June-Oct)	Discounted Price	Basic Price	Sustaining Price	Chosen Price
