

Do you; Hunt, Fish, Hike,
 Nature Watch, or Cross-
 Country Ski?
 Enjoy the Fall Foliage on the
 Hillsides?

Enjoy Clean Safe Drinking Water?

If so, the MWCC needs your support.

The Goal of the MWCC is to ensure that your grandchildren are able to enjoy these activities just as you do today.

To date the MWCC has developed A Natural Resource map for the entire Mascoma Watershed Area and conserved the 923 acre Bear Pond Natural Area and the 14 acre Arzdorf Natural Area.

With your support, the MWCC will be able to protect even more special and unique places within the Mascoma Watershed Area and continue its mission of conservation and conservation education. In addition, you will receive a monthly newsletter with a listing of local fun and/or educational activities.

ORGANIZATION AND MEMBERSHIP

The MWCC is a nonprofit 501 (C)(3), all-volunteer organization, governed by a seven-member board of directors elected by the members. Should you wish to join or donate, you can contact us at: MWCC, Box 704, Enfield, NH 03748 We are on the web at:
