Notification

Dear *Norwich Selectboard*

The Norwich Historical Society will be the scene of a Revolutionary War Re-enactor Program for Marion Cross School sixth graders on Friday, May 13, from 9-2:30. Re-enactors will use the lawn and interior of the Lewis House to give role-playing demonstrations about what life was like in the 1770s.

Depending on which re-enactors will be able to come that Friday, there may be musket and cannon noise, also campfire cooking. NHS is alerting its neighbors, senior housing residents, and town agencies (police, fire, town manager, selectboard) about the event and what to expect.

Sincerely,

*Susan Voake*
