All,

It is with regret that I must resign immediately from the Finance Committee. My personal and professional commitments are growing and I am taking the new year as a time to make sense of my every increasing commitments. Lauren had a very bad slip on the ice last week that will require surgery (ankle) and 4-6 weeks of rehab and unable to work or do much of anything other than recover. I wish you all the best.
Regards,

Chris Rhim

Evan

Great work! My only concern is having too much Dresden content from the NFC pen. Some is appropriate to explain increases. I will edit for discussion.

Thanks for a great start!
